

A SPECIAL GIFT

Imagine the nostalgia when a child makes a visit to St. Joseph's Medical Center five, ten, fifteen or even twenty years from now to see his or her very own star on the Baby Wall of Fame.

Becoming a part of our celebrity wall is also the perfect way to celebrate or commemorate the birth of an "older" St. Joseph's baby. With an appropriately inscribed certificate to present, as well as a permanent star, this is a wonderful way to celebrate a birthday, anniversary, or any special occasion.

The tax-deductible gift of \$100 for each star for the Baby Wall of Fame will help to provide the finest in maternity and pediatric care and equipment for our children.

*"Twinkle, twinkle Little Star,
How I wonder who you are"*

Words attributed to J.P. Rameau

ST. JOSEPH'S FOUNDATION

The mission of St. Joseph's Foundation is to solicit, manage, and distribute charitable contributions for the benefit of the local programs and services provided by St. Joseph's Medical Center and its affiliates.

We invite you to partner with us in providing the best health care and equipment available to all who need it by making a tax-deductible donation.

Thanks to the continuing support of our community, St. Joseph's remains at the leading edge of technology and medical expertise. Thoughtful gifts of all sizes help us continue to expand and develop our centers of excellence. Together with our community partners, we're building a foundation for a healthier tomorrow.

BABY WALL

OF FAME

A Star is Born

THE SPARKLE OF NEW LIFE

Welcoming a newborn brings joy to life and a time to cherish forever.

For generations, St. Joseph's Medical Center has been the birthplace of babies from our local communities and we share in the joy of welcoming each new life.

"A STAR IS BORN" BABY WALL OF FAME

Parents, grandparents, friends and relatives have the opportunity to celebrate the arrival of a new baby or remember the birthday of

a relative or friend by honoring them on St. Joseph's Baby Wall of Fame.

Located in Maternity Services on the third floor of St. Joseph's Medical Center, "A Star is Born" celebrity wall has been created as a permanent display to recognize the babies born at St. Joseph's. Designed by local artist, the late Kelly Forsberg-Said, the wall is a colorful display of the moon and silver stars, each one inscribed with a child's name and date of birth.

"I want to be involved with St. Joseph's because the hospital is intertwined with our family. My parents, my husband, and I were born at St. Joseph's and when I heard about the Baby Wall, I knew I had to participate. Now, the births of my four children are forever commemorated at St. Joseph's, a place my family will always use."

Vicki Mussi

MY STAR GIFT

Donor's Name _____

Address _____

City, State _____

Zip Code _____
