

Established in 2017, St. Joseph's Nurses Society was created to support and promote fellowship and continued education for past, current, and future nurses.

St. Joseph's Nurses Society support helps ease financial barriers to continuing education so that nurses may focus on exploring their aspirations, fulfilling their greatest potential, and transforming the future of health care. The Society also supports service and outreach projects to impact the greater Stockton community.

How do I join?

Become a Nurses Society member today with an annual tax-deductible gift of \$100 or more.

Any current, former, or retired nurse at St. Joseph's Medical Center and St. Joseph's Behavioral Health Center can become a member. We also encourage membership from non-nurse employees, physicians, and community members.

Membership benefits include:

- Recognition on Foundation website, newsletter, and membership directory
- Exclusive invitations to member-only and hospital-sponsored events
- Professional and networking opportunities
- Ability to make a difference in our community
- Free educational opportunities
