

Become a “Friend” today!

Friends of St. Joseph’s Behavioral Health Center (BHC) is a nonprofit organization dedicated to raising funds and awareness for St. Joseph’s Behavioral Health Center’s inpatient and outpatient services in Stockton, California.

Part of the recovery process includes giving back. “Friends of BHC” is a great way to give back and help others managing mental health and/or chemical dependency recovery.

Friends of BHC members meet monthly to:

- Raise funds for BHC
- Market BHC services
- Coordinate an annual picnic
- Sell tickets for special events
- Recruit new members

- I would like to learn more about becoming a **Friends of BHC** member
