Dear Nurses Society Member,

As National Nurses Week approaches, we look forward to celebrating and honoring the vast contributions, heroic efforts, and the positive impact that nurses have had on our health, our community, and our world.

Now, more than ever, we want to **thank you** for all you do for St. Joseph's and our community! And, thank you for being a valued member of St. Joseph's Nurses Society.

Your membership helps support local nursing scholarships so that nurses may focus on exploring their aspirations, fulfilling their greatest potential, and transforming the future of healthcare in our community. The Society also supports service and outreach projects to impact the greater Stockton community.

Since forming in 2017, St. Joseph's Nurses Society has distributed **17** scholarships to deserving employees, each pursuing a career, or furthering their career, in nursing. *What a tremendous impact, thank you!*

We invite you to renew your support today as a current nurse, retired nurse, or "Friend of Nursing" so that we can award scholarships to several deserving candidates this Fall.

Renew today with a tax-deductible gift of \$100 or more! Several ways to give:

- **Payroll deduction:** One-time or recurring (minimum of \$4 per pay period) – *use form below if applicable*
- Check: *payable to St. Joseph's Foundation*
- Credit card: use QR code below to donate online at www.StJosephsCares.org/NursesSociety
