People News

Congratulations to **Paula Newman**, Manager of Infection Control, on receiving national recognition from the Association for Professionals in Infection Control and Epidemiology (APIC) for the 2017 Chapter Leader Award.

Do you have news to share, or perhaps an impactful story? Please send it to SJFSJ@dignityhealth.org

Welcome to our newest members

St. Joseph's Nurses Society was created to support and promote fellowship and continued education for past, current, and future nurses.

Support of the Society helps ease financial barriers to continuing education so that nurses may focus on exploring their aspirations, fulfilling their greatest potential, and transforming the future of health care.

Healthcare Scholarship Reception

In the spring, St. Joseph's Foundation held its annual Health Care Scholarship reception at Stockton Golf and Country Club. Sixteen recipients were awarded scholarships to advance their education in nursing, laboratory science, and public health.

It was also the inauguration of the St. Joseph's Nurses Society scholarship awarded to Bounhomma Jennifer Woodward, a St. Joseph's Medical Center nurse currently working in Clinical Informatics. Jennifer plans to graduate with her BSN in May 2018, and currently has a 4.0 GPA.

In Jennifer's thank you letter to the Society, she wrote:

"I am honored and blessed to be selected as the first recipient to receive the St. Joseph's Nurses Society Scholarship. It is a wonderful feeling to know that members who were once my instructor at Delta College, former and current colleagues, and administrative staff, support my continuing education."

Congratulations Jennifer!

Other Events of Interest

Caring for Me is our hospital's annual women's health & lifestyle event, featuring a health forum and expo, wine tasting, dinner catered by DeVega Brothers, gifts, prizes, shopping and more!

This event is a great way to introduce your friends and family members to our services, while treating them (and yourself) to a very special night out.
