ER

Emergency Room Expansion

To meet the growing needs of our community, St. Joseph's Emergency Room is expanding.

Every day our ER sees over 232 patients, a 30% increase over just last year, with volumes expected to continue to rise.

In order to treat the growing number of patients we serve, we have started construction to expand our ER by almost 60%, adding 24 new treatment spaces.

The costs to accomplish our plan are considerable—over \$8 million—but will hold tremendous benefits for our community. St. Joseph's Foundation has committed to raise \$2 million over the next year. Your help and support are central to the success of this meaningful project.

We invite you to support this expansion project with a charitable gift. Your gift today will help us meet the critical demand our community has for emergency medicine. Remember, 100% of every donation is directed towards this project.

For more information call 209-467-6347.

THANK YOU!
